

MEMORANDUM

TO: Mayor and City Council

FROM: Richard Meyers, City Manager

SUBJECT: **SECOND READING OF ORDINANCE NO. 3017 REPEALING
CHAPTER 2.20 PARKING ADVISORY COMMISSION OF THE
COTTAGE GROVE MUNICIPAL CODE**

DATE: December 7, 2011

Background

At the November 28th City Council meeting the attached ordinance was read once by title and placed on this agenda for second reading and subsequent adoption. The ordinance repeals the provisions creating the Downtown Parking Advisory Commission.

Recent recruitment efforts failed to find citizens interested in serving on the Commission and as a result the City Council expressed a desire to eliminate the Commission.

If the Parking Advisory Commission is repealed discussion and decisions regarding downtown parking issues will be handled like other parking or traffic issues by going directly to the City Council for consideration and action.

Recommendation

That the ordinance be read once by title and placed on the next agenda for second reading and subsequent adoption.

Cost

No cost.

Richard Meyers, City Manager
