

MEMORANDUM

To: Mayor and City Council
From: Ron Bradsby, City Engineer
Subject: BID AWARD FOR COTTAGE GROVE PUMP STATIONS UPGRADES - 2016 PROJECT.
Date: July 6, 2016

BACKGROUND

The City of Cottage Grove continues to move forward with the upgrades to the water pump stations. In May of this year, the City and the Division of Health complete their review of the plans prepared by Civil West, City's consultant.

Corrections were made to the plans and a project manual was developed. The project was advertised in the Daily Journal Commerce and the Cottage Grove Sentinel. Three bids for the project were received June 30, 2016 at 2:00 p.m. The Engineer's Estimate was \$1,272,614.00 and below is a bid summary:

<u>BIDDER</u>	<u>ORIGINAL BID</u>
1. H & J Construction	\$ 1,084,073.00
2. Wildish Construction	\$ 1,370,331.00
3. Pacific Excavation	\$ 1,458,628.00

Staff is in discussion with the apparent low bidder regarding possible issues. Additional information and staff recommendation will be provided on Friday.
