

## MEMORANDUM

TO: Mayor and City Council

FROM: Richard Meyers, City Manager

SUBJECT: 2016 LEAGUE OF OREGON CITIES LEGISLATIVE PRIORITIES

DATE: July 6, 2016

### Background

The League of Oregon Cities has requested input from member cities regarding the 2016 Legislative Priorities. The information prepared by the League was provided to the Council on June 16<sup>th</sup> by email. The League has requested that each member City review the 29 legislative objectives that were developed through the work of the League Legislative committees and select the top 4 priorities from the objectives. The League will then compile the priorities from the member cities and develop a legislative action plan for the upcoming session in 2017.

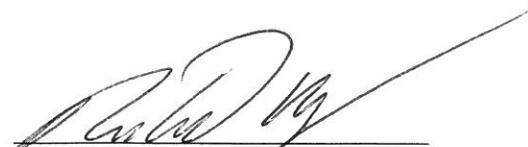

It was suggested that the City Council members select their top four objectives and bring them to the Council meeting. The Council should discuss the legislative objectives and select the top four. Staff will then report the information to the League.

### Recommendation

That the City Council discuss the 29 League legislative objectives and select the top four that represent the Council's opinion of the most important 2017 Legislative Priorities for cities.

### Cost

No Cost
