**Sanitary Sewer Repairs, N 11th Street**

- On Monday, May 7, the City’s Public Works crew will begin repairs on a sanitary sewer main located east of N 11th Street.
- Work is scheduled to be completed by **Wednesday, May 9**.
**Repairs to S 6th Street and E Taylor Avenue**

- Crews from Knife River Construction Co. will complete repairs at S 6th Street and Taylor Avenue on their Fall, 2017 construction work.
- The repairs will begin **Monday, 5/7** at 7:30am and are scheduled to be complete by 2pm.
The cold-planing and repaving work in Gateway Boulevard is tentatively scheduled to occur on the nights of **May 29 and 30, from 9pm to 5am.**
Row River Road Pedestrian Crossing

- The City is reviewing the possibility of increasing the flash-rate of the beacons to increase the factor of safety at this crossing.

- The City is waiting for Oregon Department of Transportation to officially confirm that their review of this facility is complete.
